“Helping you to be an environmentally responsible and safe Jayhawk”

About KU-EHS

An administrative support unit of the Provost Office

- Report to the Senior Vice Provost of Scholarly Support.
- Provide assistance to all units/areas at the Lawrence campus.

Our Goal:

“We are committed to aiding you in the protection of human health, safety and the environment in a manner that enhances the quality of education, research and public service on our campus.”

KU-EHS Mission 1

Assist faculty, staff, and students with designing facilities that meet safety requirements and with inculcating and implementing safe practices in the conduct and operation of University programs, activities, and facilities;

KU-EHS Mission 2

Monitor campus activities to assure that Federal, State, Local, and University environmental, health and safety laws, regulations, ordinances, and policies are being followed;

KU-EHS Mission 3

Carry out the assigned program management responsibilities associated with the following campus EHS programs:

- Occupational Safety & Health Assistance
- Air Quality (Outdoor & Indoor)
- Laboratory Safety: General, Biological, & Chemical
- Radiation & Laser Safety: Materials Procurement, Use & Disposal
- Asbestos / Lead-Based Paint Compliance and Removal
- Hazardous Materials: Use, Transportation, Disposal
- Hazardous Materials: Recycling & Waste Minimization
- Environmental Compliance, Protection and Impact Assessments
- Extremely Hazardous Materials Inventory
- Water Quality, Stormwater & Wastewater Discharge
- Pollution Prevention
